PMMGC MEMBERS MEETING MINUTES January 27, 2021

1. The Board would like to thank all of the members who attended the meeting. It was a great turnout and resulted in valuable discussions.
2. **Tee Box Discussion** – After a thorough discussion, it was agreed that the use of Gold Tee Boxes would be allowed for all regular Club events. This includes participation in the Game of the Day and the cash Side Games. The proposal that passed was:

All play will be in accordance with USGA rules and will be from the Blue Tees, except as noted below. Players with a handicap index of 16.0 or higher have a choice of playing from the White Tees. Play from the Gold Tees will only be allowed for a member who has received prior authorization from the PMMGC Board.
3. **Handicap Cutoff for White Tees** – There was a good discussion of the basis for the use of a handicap index of 16.0 or higher to determine if a golfer is eligible to use the White Tees. It was agreed that the Board would conduct a study of both member handicaps and actual results to determine if a different handicap index should be used to decide the golfers eligible to use the White Tees. The Board will report the results of this study to Members at a future meeting.
4. **Use of Blue and White Tees for Club Championships** – It was agreed that for PMMGC Championship events – Club Championship, Match Play, etc. only the Blue and White tees would be used. The use of Gold Tees would not be allowed during these special Club Championship events.
5. **Non-Completion of a Round** – The members agreed that if a player is unable to complete his round during a competition for any reason, that golfer will be deemed as having withdrawn from that day's competition. As a result of the withdrawal, that golfer will not be eligible to win any of the proxies or skins available that day. If the player who had to withdraw has already qualified for a proxy on a hole played before withdrawing, that proxy will be considered as void and no payout will be made for that proxy.
6. **Future Member Meetings** – As a result of the positive member feedback, more Member meetings will be planned for the future.
7. **The Meeting was Adjourned.**
