Results: **2021 CLUB CHAMPIONSHIP – GROSS & NET**

34 league golfers competed in our 2021 Club Championship that we hold every March. It is a 36-hole Tournament. Round 1 was played either Thursday 3/11 or Saturday 3/13, and everyone played their Final Round on Saturday 3/20. Pairings were in reverse order of where everyone stood after Round 1. Everyone played from the White Tees to level the playing field.

We paid out 25% of each field – Gross and Net. There were 4 golfers who got into both the Gross and the Net Championship. **Eddie Moore's** 151 was 2 shots better than **Dave Fjosee's** 153 to capture the GROSS Championship. **Wayne Miller** was one of two golfers to post sub-70 Net rounds each week to shoot a 134 and capture our NET Championship by 3 strokes over **Jim Lautenschlager**, who shot a 137. **Congratulations Eddie and Wayne!! Wayne Brown** finished third, 1 more stroke back at 138, and was our other golfer who had two very nice sub-70 Net rounds.

I've listed the results in a more detailed fashion so everyone can see how they did. Thank you ALL for helping make this Club Championship a very enjoyable event, and one that was participated in by the vast majority of our regular golfers!

EDDIE & WAYNE – we are going to need to get your photographs for our winner's plaque in the Pro Shop
