

Painted Mountain Men's Golf Club

RESULTS: CLUB TEAM CHAMPIONSHIP – FINAL RESULTS

19 teams competed for our Club Team Championship last Thursday 9/2 and Saturday 9/4, vying to represent Painted Mountain Men's Golf Club in the AGA Club Team Championship competition that kicks off in November. As stated earlier, we normally have this Championship the first week of September, while Painted Mountain is usually in fairly good shape. We must register the teams with the AGA by September 24th.

15 teams were competing in the Regular Flight, and 4 in the Super Senior Flight (*both golfers had to be 70 or older*). We pay the \$140 entry fee for 1 Super Senior Team and 2 Regular Flight Teams.

Outdistancing the rest of the field by 2 ½ Net strokes, the team of **Dean Delay & Paul Ysteboe** took top honors with a 59 / **Net 59.45**. **Mike Couza & Tom Guinan** finished 2nd and were the top Super Senior Flight team at 65 / **Net 62.06**. *They were more than 3 ½ strokes better than the next Super Senior team.* In 3rd Place was **Eli Latina & Jim Seamandel** at 67 / **Net 63.16**, not quite a full stroke better than the next two teams – **Mike Lange & Kurt Bell** and **Brad Fawcett & Blake Adams** - one stroke could have done it for them!

Thanks everyone for participating and making this years' Club Team Championship a great one! Your team can still enter the AGA Club Team Championship, but you will have to pay the \$140 entry fee yourself. Here is a link to the AGA website for the tournament – the initial rounds are scheduled for November, with the Final Round in
