18 golfers competed Saturday in the Final Round of our **2022 President's Cup** – a 36 Hole Net Tournament. Round 1 was either Saturday 12/3 or Thursday 12/10. Everyone competed from the White Tees in this event. 5 other golfers withdrew after Round 1.

The weather was more formidable this year and scoring was much tougher. 9 golfers broke **Net 150** last year but just 3 this year! - so having a good round *either day* probably got you in the money. Just a *single golfer* broke Net 70 in Round 1, and ZERO did so in Saturday's Finals!

Bobby James was our only golfer the entire Tournament with a round in the Net 60's (*and in the rain in Round 1 - shooting a very nice 70/Net 66 ... five strokes better than the nearest competitor that day*). In spite of a Finals Round score seven strokes more, he was able to ride that initial five stroke lead to a comfortable 6 stroke victory total of Net 139 – one stroke under Net Par for 36 Holes! **CONTRATULATIONS BOBBY !!**

Larry Stone was *Mr. Consistency* with the third best Net scores each round - a Net 72 and Net 73 - for a Net 145 total and finished in 2nd Place. Three strokes behind Larry and in 3rd Place was **Dave Fjosee**, who shot a Final Round Best Net 71 and Net 148 total, sliding past **Terry Stephens** (Net 150) and a foursome of golfers at Net 151 (**Bill Morey, Mike Lange, Chris Thompson & Pat Goth**).

We paid out the top 8 positions, 35% of the field, dividing up a pot that was supplemented with League Funds up to \$500. Two of our top Three finishers also had our two lowest handicaps, helping to continue to dispel the myth that a Net Tournament can't be won by low handicap golfers! Below is an individual and total round breakdown and Cash Prize payout:
